Felting Needle Tool

Felting Needle Mat

This brush-like mat enables smooth and easy needle punching into your base fabric.

Single Felting Needle

Single Needle is wonderful for dimensional projects and detailed works.

Retractable Safety Tube

The barbed needles are covered by retractable safety tube that protects the needle points from being exposed when they are not in use. It also protects you from sharp needles.

Refill Needles

The barbed needles are designed to interlace textile fibers for felting and applique effect.
